The Opening of the NEW JUNIOR SCHOOL CAMPUS of our School in Belmore, across from All Saints Church celebrated its Opening with His Eminence Archbishop Stylianos on Friday, 17 October, 2008.

### Capital Fundraising Lunch

On Sunday, 19 October, 2008 supporters from within our School and Parish community and the wider community attend the annual Capital Fundraising Lunch held at the picturesque Waterfront Room at the St George Motor Boat Club at Sans Souci. On behalf of the School, we would like to extend our thanks to all who attend this event.

Through a combined effort, a generous \$110,000 was raised at the Lunch! Thank you to all our supporters, our sponsors and to those that donated items for auction or raffle on the day. With the massive debt we currently face, this collection goes a long way to assist the School in meeting its financial requirements.

Of particular note, I would like to thank the following groups and individuals for their generous donations towards our Capital Fundraising Programme:

### Naming of Classrooms

All Saints Parish Ladies' Auxiliary "The Philoptohos Library" \$25,000  
Costa Rafeletos & Family Classroom undisclosed  
Sozo Sozomenou & Family Canteen \$15,000  
Philanthropic Association "Kosmas O Aitolos" Classroom \$10,000

### Donations

St Euphemia College (Mr Theophilou – Chair) \$2,000  
Rev Fr Nektarios Zorbalas (Sts Constantine & Helen) \$1,000  
Rev Fr Christos & Presbytera Sevasti Triandafyllou \$1,000  
Parish & Community of Liverpool (Sts Raphael, Nicholas & Irene) \$500  
Mr Jack and Mrs Irene Passaris \$500

So many assisted in seeing this project become a reality and on behalf of the School we thank everyone for their assistance and generous effort. Particularly, I would like to thank Sozo Sozomenou, his son Terry who was one

of our original students (1990-2000), his nephew Michael (Rutland Street Constructions) for completing the complete project in less than one year!

To Mr Kouroushis, Chairman of the Parish Board of Directors for his exceptional input throughout the entire process and to the members of his Board for their assistance and support, to Rev Fr Christos Triandafyllou for keeping us all together through his encouragement and 'can do' attitude and prayers, to the unbelievable effort of our Deputy Principal and Head of Junior School Mrs Elfa Lillis and her Junior School Staff who worked tirelessly and without complaint during the massive shift that was required during term 3 and throughout to ensure that all rooms were ready for the students.

To all members of the respective Boards and Committees of the School and Parish – a sincere thank you. Thank you to the architect, Mr Angelo Candalepas (Candalepas & Associates) and Mr David Tordoff for their design, management and assistance throughout the entire process and to Laiki Bank for their financial assistance and understanding in financing this project with minimum fuss.

The Official Opening as per our agreement with the Federal Government who contributed \$750,000 toward this project will be held mid May 2009.
