According to Director Santino Grieco stated, "A coach of Urukalo's caliber & who's extensive overseas coaching experience in Asia /Africa / Europe as well as local NSL / Premier League clubs in Australia, all with outstanding success will only be beneficial to Inter and have an overflow effect through the entire club. Having won Championships /League & Charity Cups around the globe, Urukalo is well equipped to help Inter's ambitious drive to move to the next level. Michael's presence at the club has generated a lot of interest. We have been receiving calls from players wanting to play under Michael. It's been overwhelming reaction," ended Grieco.

The coach was just as excited to be back coaching as well. "I'm extremely excited at helping Inter Lions achieve their goals and move to the next level. Last year they had a successful season, but 2009 we are aiming to go one better".

### "BETEZY BET OF THE WEEK": WHOBEGOTYOU!

We now have Betezy on board with "Sportsworld", and this weekend Drew's "Betezy Bet of The Week" is in the VRC Derby.

The Spring Carnival is well and truly under way and this Saturday at Flemington is commonly regarded too as Australia's premier race day. It's VRC Derby Day.

In the main race, Drew from BetEzy suggests that it's impossible to tip against the red hot favourite WHOBEGOTYOU. The horse has been ultra impressive in all of its lead up races and Saturday's big race looks made to order for the Mark Kavanagh trained three year old.

Outside the Derby, there are some big fields and plenty of quality races

and Drew's tip is to look for value.

"There are always a few upsets on Derby Day. With so many quality horses running around, there's plenty of value there for the punters".

### RONALDO PLAYER OF THE YEAR

Cristiano Ronaldo has been voted player of the year by his fellow professionals at FIFPro.

The international players' union, which has 57,500 members, announced on Monday that the Manchester United winger, who scored 42 goals last season when the Red Devils won both the Champions League and Premier League, had topped their poll.

"To be recognised by my fellow professional players worldwide coming from over 50,000 players is amazing," the Portugal winger said.

Ronaldo is also a strong contender to win the FIFA award and the European Golden Ball organised by the French magazine France Football.

### FFA TRIVIA THIS WEEKEND.....

Adelaide United are aiming to secure their 7th undefeated match at home. The Adelaide United v Melbourne Victory match this weekend could see Adelaide United equalling the club's record of the longest streak of home matches.

Meanwhile Queensland Roar will be aiming for its sixth consecutive undefeated away match in the Hyundai A-League competition. The last time Queensland Roar lost away was in the epic Hyundai A-League 2008 Preliminary Final, where the Newcastle Jets got up 3-2 in extra time.

Sydney FC v Central Coast Mariners matches have produced the equal 'most goals in the Hyundai A-League'.

In 11 previous matches, there have been 39 goals scored between these two sides- that's an average of 3.5 goals per match. This is equal to the total number of goals scored in Adelaide-Sydney matches, across 12 games.

With victories in their previous two home matches (W1-0 v Wellington, W2-1 v Sydney), Perth Glory will be aiming to win three home matches in a row- for the first time in Hyundai A-League history.

### LAGOUDAKIS RE-SIGNS FOR THE BERRIES

The West Sydney Berries have begun the long process of securing the majority of their 2008 NSW Premier League squad for next season.

Kosta Lagoudakis is the first Berries signing for 2009 after agreeing to terms this week. So too has Berries 2008 Play-

### STEVE NICHOLAS "MR. AUSTRALIA"

His name is Steve Nicholas. He is 33 years of age.

Last weekend Steve decided to compete in the 2008 IFBB Australian Championships at Cronulla Leagues Club.

He walked out with the coveted "Mr. NSW and Mr. Australia" titles!

Steve Nicholas in fact dominated the field capturing both the NSW & AUSTRALIAN Titles in the under 90kg Division. A great Achievement.

But even more amazing when one considers that a year and a half ago, Steve suffered a serious back injury whilst at work.

He could barely walk thanks to a bulging disc and stress fracture- but he has come back much stronger to be crowned "Mr Australia".

er-Of-The-Year Jack Sobczyk.

Other players expected to have been signed by the time this article goes to print includes John Tsironis, Dimitri Zakilas, John Fotiadis, Aheleas Kotsopoulos, Ryan Jones, goalkeeper Hamish McLean and of course Sash Tirovski.

The Berries also hope to announce a few new key signings in the coming weeks as well.
