TELECHOICE PREMIER LEAGUE ACTION RESUMES...

The Telechoice Premier League resumes this weekend after the Easter break- and hopefully will answer many questions.

Can Sydney Olympic rejoin the winners' list?

Can the West Sydney Berries win a game to get off the bottom of the Club Championship ladder and avoid relegation?

These questions and more will be answered this weekend.

The West Sydney Berries kick off first on Saturday night against an in-form Sutherland Sharks, who recorded a strong 2-0 victory over the highly-fancied Marconi Stallions away in Round 6.

The Berries on the other hand have recorded just one win so far in 2009- and that was way back in round one against Sydney Olympic. They were unimpressive against Sydney United last round and must come away with some points to climb away from last position on the Club Championship ladder.

Sydney Olympic on the other hand had their game called off in round 6. The last time they played they lost to Penrith 3-2. Like the Berries, they too need to get back to the winners' list on Sunday against Blacktown City if they are to keep in touch with the "Top 5" clubs in 2009.

WHO CAN BEAT SYDNEY UNITED?

The most consistent and best team so far in 2009 is Sydney United. Five wins in six games and a draw in the other has them undefeated and five points clear at present from Manly United who have a game in hand.

Sydney United, Manly and Sutherland are the three teams to beat and expect the Minor Premiers to come from one of them. One club I am anticipating will improve from their current low position is the Bonnyrigg White

Eagles. New coach Brian "Bomber" Brown I am certain will not only assure the Eagles avoid last spot, but don't be surprised to see a resurgence from them in the coming weeks.

Their clash against the Bankstown City Lions at Jensen Park on Sunday should be an absolute cracker- but it will be interesting if the Eagles can upset their more fancied opponents this weekend.

SUPER LEAGUE ACTION

In the NSW Super League, it is the

Parramatta Eagles who are setting the pace at present. Macarthur Rams are also enjoying a better year than the one in the NSW Premier League in 2008.

It's great to see newly promoted Spirit FC doing so well in the Super League as I believe they are one well-run, well-administered organisation who has the ability to climb all the way into the NSW Premier League in the years to come.

Fraser Park however, are again looking very very shaky.

SECOND PONDS OVAL FOR THE HAWKS

In Division One, the Stanmore Hawks are away this weekend to the Hills Brumbies in a game that could go either way. Both teams are evenly matched and have scored and conceded almost similar goals in 2009. They are both on 3 points and will be desperate to double their account.

The Inter Lions, coached by Michael Urukalo lead the competition after four rounds on goal difference.

WHAT A GAME!

Don't you just love it when you watch two great teams play against each other?

This week's Chelsea vs Liverpool game, which ended in a 4-4 draw reminds us all just how wonderful this great game can be.

Frank Lampard scored in the 76th and 89th minutes, as Chelsea withstood a Liverpool surge to advance to the European Champions League semifinals.

Chelsea, which lost last year's final to Manchester United, in the end advanced on 7-5 aggregate. What a game!
