

FOVERI: NIK CONOMOS DEBUT SINGLE LIVE AT NEMESIS 23 MAY 2009

Brisbane: Singer, songwriter and producer Nik Conomos will be launching his debut single Foveri at the Melbourne Hotel on Saturday 23rd May 2009 as part of Brisbane's Premier Greek event Nemesis featuring leading Greek Australian Dj, Krazy Kon. Foveri is an up-tempo, instantly catchy song that will get you dancing and singing

along in no time. You & Me is an English version of Foveri for those who do not understand the Greek language and rounding off the CD, a slower more emotional track titled Yiati Den Eise has been added to give a glimpse of Nik's diversity and a preview of what is in store for future releases. An accomplished performer with his band Project Smooth, Nik has performed for the Broncos beginning and end of season functions and regularly performs at Beach House Bar & Grill Chermside. Over the past 5 years, Nik has been quietly working behind the scenes writing and producing his own original Greek and English tracks. Using a fresh and more modern approach to his Greek compositions inspired by his Australian upbringing and musical influences from America and the UK, Nik is looking forward to bringing his unique style to Nemesis and beyond.

"I am fortunate to be able to combine my passion for music with my Greek background and produce music that will cross both English and Greek speaking audiences" said Conomos. Nemesis is set to be one of the most anticipated events on the Greek event calendar with an impressive line up of Greek musical talent that is sure to take Brisbane by storm including DJ Victor James and Bouzouki extraordinaire, Dimi. Foveri is available for purchase at www.nikconomos.com from the 23rd May 2009 and available for download from the iTunes store from the 8th June 2009.

Don't miss out when Nik takes to the stage and lights up the dance floor with Foveri. Nemesis - Melbourne Hotel- 9pm till late. Tickets \$15 available at the door www.nikconomos.com

The Show must go on

Take Away Theatre celebrates 20 years of contemporary Greek-Australian theatre with their latest production, The Show must go on. With a star-studded cast including Gold Logie nominee, Dancing with the Stars winner and Home and Away favourite, Ada Nicodemou, Take Away Theatre's new show is sure to dazzle.

This hilarious satire of a struggling theatre company is a retrospective of past shows and all the backstage angst of putting on a play.

Take Away Theatre brings to front stage the obstacles, the personal tragedies and the larger than life characters that have been a part of the company's 20-year history.

Find out how this group ever manage to put on a show.

Will the theatre company be evicted or will someone come to the rescue? Is

this their last show? Will the show go on? Who is the critic and why does everyone hang off his every word?

Amongst the chaos, the media pursues the company. Will the older paparazzi, Haralambi Makrigiannis, ever get attention from the leading lady and love of his life 'Varvara? What secret is the young paparazzi, Kostakis Nikitis, hiding from his mentor?

Kathi Kokori, an original Take Away Theatre visionary has worked with a small and dedicated group of TAT members to write and direct this anniversary production. The show acknowledges and celebrates the hundreds of people who have been the guardians and custodians of the company, who have dedicated their time, energy, creativity, nurturing, and support and most importantly their love and faith in the company for over 20 years.
