Australia on the world stage in two major dance competitions in the UK and USA.

How often does an opportunity like this come? What would you do? The expense to travel overseas is enormous, custom made outfits, custom make music scores, props and dance lessons. These put great financial pressure as well daily stress of preparing and organising for these events. But Love is important as well which we have an abundance for Nicola and we hope you can share some of your Love for us.

Some people in the community have offered donations to Nicolas Trip overseas, they realise the costs involved. I sincerely thank each an every one you for your support and vision.

For others, I Thank Your kind wishes and last of all I would to Thank the people that helped us along this wonderful journey. The realisation of Nicola's Dream to Dance and Sing around the World for Australia and all of Us is coming to fruition.

Hello,
My name is Nicola Cafcaros.
I am 7 years old and I have been dancing, singing and playing violin since I was 3.
I attended St Spyridon Junior College at Kingsford and also play soccer for the Olympic Eagles in Sydney.
I have been competing in Dance Festivals and Eisteddfods and have many awards and championships. You can see these later on in my website.
I have been chosen to represent Australia in the "World Dance Cup" in Jersey, United Kingdom.
This is the first time Australia will have a team competing. Our dancers will be up against the best in the world including the famous Bolshoi Ballet from Russia.
From there I will be competing in the "American Hall of Fame World Titles" in Orlando, Florida USA representing Australia again.
I was born in Australia from a local Greek and Filipino family in Sydney. Like the rest of community we are struggling with all of the problems that go with the financial crisis. Knowing I have the support of my local community will help me find that extra needed to take on the rest of the world.

Competing overseas is very expensive, as well as the costs of my outfits, props, costumes, dance lessons and private lessons. So I need financial help and support to go over there and do my best. I am a young dancer, putting in long hours of practice, so that I can compete with pride for Australia and the Greek Australians.
Please help me represent our country, Australia. I am seeking support with a range of fund raising activities including a Walkathon sponsored by St Spyridon College P & F Association.
Every donation and contribution will help.
