MAV'S CORNER

Dimitri Zakilas

Round 15

Another episode of Mav's Corner as round 15 started in Penrith. "Bomber's" Eagles visited Penrith Nepean on a cold Saturday night searching for a win. However courtesy of a goal from Scottish import Graeme Forbes the Eagles took all the points available from this clash. The Eagles who now sit in 6th position on the ladder have put immense pressure on the top 5 clubs.

Sunday hosted the rest of the Premier League games as Sydney Tigers grabbed a point from Manly at Cromer Park. Whereas Sydney United dropped points once again as they drew against a hungry Sutherland Shark's team.

Sydney Olympic welcomed the return of Mathew Mayora after serving his suspension as Nick Theo's men visited Hooka Creek Park, Wollongong. Olympic came back from being a goal down to share the points with the Community Club. Telechoice Premier League's top goal scorer Mathew Mayora scored for the Blues as they missed plenty of chances to walk away with the three points. The Blues must win next weekend against Penrith at Belmore Sports Ground to stay in contention for the top 5.

The West Sydney Berries came away with the maximum points as they defeated Blacktown at Gabbie stadium on a cloudy Sunday afternoon. Dimitri Zakilas being the hero for the Berries as he recorded a double and was denied another in a controversial off-side call by the referee. The Demons went one up by a Matt Lewis strike as the scrappy shot was not cleared by the Berries defence. Until it was time for Zakilas to strike in each half finishing the game 2-1 for Berries. Zakilas who is on 8 goals spoke to Mav's Corner and stated: "We took the three points away from home. We have been training hard and the team is starting to gel together." Dimitri has made an impact in the Berries team this season as he missed last season's campaign due to niggling injuries. "I've been happy about my performances this season and scoring goals is a bonus". "The team has set a target to gain a spot in the top 5 which can be achievable. However my aim is to finish the season with 15 goals", Zakilas mentioned when he was asked how the Berries would finish up this season and what are his personal goals.

Round 15 finished off at a misty Jensen Park where Bankstown played host to Marconi in a bid for finals football. Man of the match Steve Liavas sublime strike opened the Lion's account. Marconi then capitalised on some poor defending as Wade Oostendorp latched on to a free kick to level the game before the break. Hussein Akil then sealed the victory for the Lion's midway through the second period as Bankstown ran away with the 3 points sending them to 3rd. Phil Makrys was welcomed back to the starting line up as he and George Nohra dictated play together for the first time since round 2. The Greek pairing along with Liavas and Tsekenis were amongst the best for the Lion's.

Besides writing about the Premier League Stanmore Hawks will get a regular feature on Mav's Corner since they are the only Greek team with 13 Greek players in its roster. The Hawks faced a much fancied Mounties side as they boast some of Division 1s finest players. The Hawks had an uphill battle as they where 3-1 down at half time. Coach Tassos Fiakos made some changes at the break but could not stop the likes of Christian Care, Steve Biviano and Daniel McCann as Mountie's finished the game 5-2 victors.

You don't win games with crosses and free kicks!!!
