MAV'S  
CORNER

Peter Zorbas

Mother Nature took its toll this weekend as Bonnyrigg White Eagles vs Manly United and the West Sydney Berries vs Bankstown City Lions games got cancelled. The two games will get rescheduled to a later date by Football NSW.

Sydney United visited Marconi Stadium in search of some silverware and the three points. United ran away with a 2-1 victory against their neighbouring team which are now crowned the '09' Capitol Hill Cup Winners. Sydney Tigers played a one all draw against the Demons at Leichhardt Oval on Sunday Afternoon.

Seymour Shaw entertained Wollongong on a cold Saturday night, the Sharks needing the win to secure a spot in the top 5. Boardman scoring a double while Jablonski adding to his tally which gave the Sharks a comfortable 3-0 victory. Mav's Corner caught up with tenacious Midfielder Nick Stavroulakis who gave us his thoughts about the game. "We controlled the game right from the kick off. We knew it would be tough but we were prepared. The next two weeks are going to be a real test of our ability and this win gives us the added confidence the team needs". Sutherland who comes up against Bankstown tomorrow night for the Tiger Turf Cup will then back it up against Marconi on Saturday and Sydney FC midweek.

Sunday afternoon featured Sydney Olympic vs Penrith Nepean United at Belmore in front of a 600+ crowd. While the failing rain soaked the playing surface Tolgay Ozbey's last ditch effort salvaged the 3 points for Nick Theo's men. The Blues came out full of confidence after beating Newcastle Jets on Tuesday night. Tele-choice Premier League top goal scorer Mathew Mayora notched a brace which takes him to 12 goals this season. Sydney Olympic welcomed back silky midfielder Anthony Doumanis to the starting line up as he paired up with Peter Zorbas were they controlled the midfield for over 60 minutes together. The Blues Captain spoke to Mav's Corner after the game saying; "We make life hard for ourselves. We give away silly goals which let teams back into the game. I'm happy we got the win and the points". He continued by praising his team mates effort who has returned from injury. "It's good to have Anthony back in the squad we have been playing together for about 10 years now and we know each other's game inside out. He is an asset to the team". Peter who not long ago came back from injury himself is starting to rekindle his form once again.

Mav's Corner also caught up with Sydney FC new recruit and Penrith Nepean's rising Star Dimitrios Petratos. Dimi who is accompanied by his dad (Angelo) in the same starting line up week in week out for Penrith answered a few questions regarding the game against Olympic, his performances and his future ambitions. "We played good as a team. I thought we were just unlucky at the end it could have gone either way. Our team's progression is great we are working hard every week, I am really focused on what I need to do on the park and I have been feeling good lately. My future ambition is to establish myself as a player in Australia and then go overseas, but my main goal is to play for the socceros one day".

Mav's Corner thanks Dimi for his time and wishes him all the best in his future endeavours.
