Round 18

The Lions ended the Berries chances of make finals football midweek beating them 2-1 in a scrappy affair at Lidcombe Oval. Daniel Severino bending free kick and a Mileski strike sealed it for the visitors. However the Berries forgotten son John Tsironis picked up a consolation prize as he has scored in both games against Bankstown this season.

An action packed Saturday night gave the Telechoice Premier League a twist as 5 games played out the night. Sydney Olympic made it four in a row and finals bound by beating Blacktown City Demons at Gabbie Stadium. Tolgay Ozbey picked up the only goal for Nick Theo's men, who now sit in 6th position equal with Manly.

Marconi got lucky beating Wollongong 2-0 at home; it is just not working out for the Community club picking up the wooden spoon. The upset of the round was Penrith beating Manly 2-0, newly appointed Player/Coach Ante Juric guided his men to victory and have now moved away from the relegation zone. New Sydney FC recruit Dimi Petratos scored the second goal to secure the three points for his team.

The West Sydney Berries played out a tough draw at Lidcombe Oval against the Sharks. The Berries who scored two quick goals put the Sharks on the back foot. Sutherland then scored two goals in less than 2 minutes to equalise the Greek club. However if my memory serves me right the Berries were lacking a striker this season. Thankfully the midfielders have been scoring as of late. Coincidentally these things happen when your striker sits either on the bench or plays in reserve grade.

Bankstown continued their great form against Bonnyrigg at the Serbian Centre. The Lions ran 2 nil victors courtesy of Phil Makrys, the Greek midfielder's brilliance and elegance assisted Salameh and scored one of his own. Phil spoke to Mav's Corner after the game stating: "It was good to beat Bonnyrigg, we have now won 5 in a row, all our players are back from injury and our aim is to win the Telechoice Premier League". He also continued on saying: "This weekend we have Olympic and I wouldn't mind scoring against Bosnich".

A special mention goes to Sam Emmanouil who made his debut this weekend for the Lions. The Greek shot stopper who is now plying his trade at Bankstown was unwanted by his childhood club. The Greek players are not good enough for the Greek clubs by the looks of things.

In last game of the round witnessed an exciting draw between Sydney Tigers and Sydney United. Robert Younis cancelled out Davor Bajsic first half strike which froze United's chances of attaining the Premiership. United now sit four points ahead of Bankstown in what looks to be a thrilling close to the season.

Stanmore Hawks welcomed Hills United to Arlington Oval chasing the three points despite losing midweek to UNSW. Chris Theodosiou scoring the only goal for the Hawks as super coach Tasso's Fiakos was under hard criticism for not winning in 6 rounds. The Hawks sit in 7th position and have six games to go.
