MAV'S
CORNER

Round 19

A double scored by John Tsironis sealed the victory for the West Sydney Berries as they beat Marconi 3-2. The out of favour striker has suddenly turned hero for the West Sydney faithful as he was demoted to the youth last week. The big striker produced one of his best performances to date to shut the mouths of some critics who did not believe in him.

Mav's Corner caught up with him after the game where he stated. "We had a good start to the match scoring 2 goals which put pressure on them. All the boys dug deep even though they equalised, however to our credit we did not stop for 90 minutes. If tonight's (Saturday night) game was at start of the season I would bet you that they would have got a result, but the team has grown a lot since then. We all fight and give 100% for each other now". A delighted Tsironis also added: "It's great to be back in the starting line up; I think I have taken my chance with both hands and I want to continue scoring for my team".

Sydney Tigers shot down the Sharks in a tough draw at Seymour Shaw. Neither team could break the deadlock after 90 minutes which could cause some mischief for the Shire outfit. Sutherland will now fight out a spot in the top 5 as missing players and coaching mishaps in previous games could cost their season dearly. Blacktown and Penrith also played a draw at Gabbie Stadium to close the proceedings on Saturday night. The 1-1 result could be fair since neither team can make the finals.

Manly defeated Wollongong 2 nil on Sunday afternoon, the result has given Manly the chance of securing a birth in the top 5. Manly also has 2 games in hand working in their favour.

Bajasic exquisite free kick equalised for the home side as Sydney united and Bonnyrigg fought out the big derby. The all anticipated match with maximum security measures became an epic battle with plenty of action. Dizdaric put the visitors ahead 18 minutes into the game with a volley until Davor Bajasic scored to share the points.

An own goal cost Olympic gaining a point out of Jensen Park. Both teams toughed it out as the midfield was to determine the final outcome. Ex-Olympic youth player Brett Studman opened the Lion's account and was doubled by Sydney Olympic defender Mirko Jurilj who guided the ball back into his own net. Chris Triantis tried to restore some respect for his team when his shot deflected off the head of Luksic and in to the Lion's net. The match turned sour for the visitors as Mathew Mayora took an early bath. Sydney Olympic's coach Nick Theo was not scared to throw in youngsters Jerry Kalouris and Ken Chun in the deep end against an experienced Lions outfit.

Mav's Corner caught up with hard working flank man Steve Liavas after the match. "It was a tough game which is always the case between the two teams. However winning does not have to look pretty all the time and when you're winning little things go your way like Jurilj scoring that own goal to double our lead. We have now won 7 out of 8 in what has turned our season around". Steve also gave his opinion on his team's season so far and compared it with the one that won back to back. "At the start we had a lot of injuries which gave the youngsters a chance but as the core players are back we are hitting form. The back to back winning side did not have the depth which is important. We have the potential to go all the way this year".

Stanmore secured another victory this time against the newly promoted Balmain. Chris Theodosiou scored for the Hawks as they mount a serious challenge for the title this season.
