

MAV'S CORNER

Chris Triantis

The week the A-League started our local Premier League finished, well that's the case for our Greek teams who did not make the finals this season. The top five was decided last week but football has brought a twist to the story, last week we had Bankstown and Manly in second and third positions but after their losses on the weekend they have dropped to fourth and fifth.

Marconi beat Sydney Olympic at the death to gain the second spot; Andrea's Golden Boot Winner

Mathew Mayora opened the blues account on the 73rd minute but was short lived as Marconi hit back with a strike by youngster Tim McGowan on the 84th. Typical Olympic defending gifted Marconi the victory as Ben Vidaic scored in the 89th sealing the three points and the second place.

Sutherland took out 3rd spot defeating Penrith Nepean, Penrith who as of late has been producing some good performance under the guidance of Ante Juric where not going to give this game away easily. Brad Boardman opened the games proceedings with a quality strike on the 54th minute. Then on the 81st Pani Nikas continued his red hot form securing the victory for the sky blues. The Sharks play Manly on Saturday for the Tiger Turf Cup and visit Marconi in the final series.

Without keeper Janjetovic, skipper Vrkic and player/coach Milicic, Sydney United still managed to beat Manly. A brace from Glavas and a single from Z-drilic secured the win for the visitors while Garside and Midgley tried to restore some respect for the team from the Northern Beaches. Manly who are in the 5th position after their loss will now tackle the Sharks in the Tiger Turf Cup next week and travel to Jensen Park to face the Lions the following week.

There is no better way to retire then your team winning for you in your last game and that's what Blacktown did. Luke Casserly called it a day after 18 years of playing football; the Former Socceroo sat on the bench and watched his team dismantle Bankstown within 5 minutes. Youngsters Dukic, Miller and Bedzo all scored for the Demons. However on the other hand Bankstown was up 2 nil courtesy of Salameh and Mileski and had the movement of the ball. A five minute lapse from the whole team costed Bankstown the second place. Bankstown now plays Manly at home in two weeks which gives the Lions time to regroup after a bad three weeks.

Robbie Younis scored 4 goals in what was an entertaining bottom of the table clash, both teams who are sitting in the two last positions played an open brand of football. The Community Club took the lead before half-time could not stop the superb performance of Striker Robbie Younis. 11 goals were scored during the game which concluded 6-5 to the Tigers.

Lidcombe Oval entertained Bonnyrigg White Eagles in a game where pride was on the line. Neither team could break the deadlock as both teams missed a handful of chances to open their accounts. Chris Gaitatzis was one of the best for the Berries as he linked up with strikers Tsironis and Zakilas who raided the Eagles box. However a draw on the last match day was enough for the Berries to be placed above Sydney Olympic.

A depleted Stanmore side lost to Blacktown Spartans 3-0 on Saturday night in Blacktown. Coach Tasso's Fiakos will now look to rebuild his squad around core players for next season as they cannot make the top 5.

Mav's Corner also wishes good luck to Chris Triantis in his A-League adventure with the Newcastle Jets.
