Her personality & talent Shine through as she performs every opportunity to the fullest, embracing the audience. She sets her goals high & sees this as her journey of life.

- Tell me a few things about your family.

I have a beautiful family. My father's side is from Greece, predominately Athens and Samos and my mother's side is from a village in the north of Lebanon called Zghorta. I have a brother called Nicholas and as you could imagine lots and lots of loving cousins!

- Tell me about yourself.

Well, hello there! My name is Chloe La Kiss, my actual last name is **Condylis** but I'm using my mother's maiden name as my stage name for the simple fact that you could interpret it being Greek, French, Lebanese or any nationality. I am 16 years old and I attend the Brent Street Talent Development High School (TDHS).

- At what age did you decide to follow the path of singing, acting, dancing. Did someone influence you towards this direction?

I started dancing at the age of 3 like

any toddler who just wanted to dance!!! When I was 8 years old I went for my first audition (I wore runners to it, so I promise it really was my **FIRST** audition!) It was for the 'Wizard of Oz' with Nikki Webster and Bert Newton that played at the 'Lyric Theatre in Star City'. Out of 600 girls, only 6 were chosen and I was included in that 6! So that's when I fell in love with singing, dancing and acting. Ever since I have continued it and feel that music is the closest thing that I feel at home with. My Mother, father and Brother have always been there to support me, but my mother and brother definitely helped me get to

where I am today.

- What would you like to be doing in five years from now?

Well, five years from now is a big

call! Ultimately I would love to be overseas, predominately Europe recording, performing and writing songs for myself and other artists. If I reach this, I would then love to contribute as much as I can to charity.

- What is your major weakness?

Well being Greek and Lebanese, it would probably have to be the yummy sweets! Such as Baklava...yes I know

many people would agree.

- What do you like about yourself?

Recently, I underwent a major back (Scoliosis) operation. It was the hardest obstacle to overcome, especially being a dancer it was the fear of the unknown that created doubt in my mind whether I'd be able to recover in the hope of pursuing my dream. I commend myself and any other person who has had to experience that side of life in being able to pick themselves up no matter how bad things seemed at the time.

- Which person influences your decisions the most?

I would have to say my Mother and Brother, as they have been a huge part of my life and been there for me no matter what.

- What is your life philosophy?

This is one of the quotes I live by... 'People think I'm disciplined, its not discipline it's devotion, there's a great difference.

- Singing or acting?

It's hard to say which I enjoy the most as they are both my life. I was in a play called 'Alex & Eve: The Wedding' and now going to Adelaide with them in October to play in 'Alex & Eve'. It has been a major part of my acting career and I thank Alex Lykos for this honourable opportunity. Also I appeared in the Disney Channel reality TV series 'CAMP ROCK the Tasman' Filmed in New Zealand (aired in USA,
