Kindergarten to Year Two, three children from each class were awarded academic excellence across the Key Learning Areas as a whole and three for achievement in Greek. Mrs Keneally as the local member for Heffron annual awards a prize to schools for students who demonstrate outstanding leadership skills in their school or local community. This year's recipient at St. Spyridon College Junior School was Victoria Tsingos of Year Six.

Laiki Bank, represented by Mr. Nikolas Hatzistergos, sponsored the Athena Pallas Awards for Reading. The Bank of Cyprus, represented by Mr. Con Pavlou, sponsored the awards for diligence and improvement in English. Both these awards were for students in each of the Primary classes.

The Student Leadership Team for 2010 was announced and the Year Six graduating students of 2009 presented with their gift from the school.
