"Health and Happiness for Christmas and the New Year."

Helen Zerefos

M*y wish for the New Year is that the 2010 will be the year that we will overcome the insidious cancers and the destructive diabetes. That will teach our children from an early age to adapt a healthy diet and flatly reject narcotics. Happy New Year to the entire world.*
Jim Saltis

"Wishing you all a wonderful Christmas shared with loved ones. May 2010 be filled with happiness, good health, love, and joy. Please stay safe over the festive season."
With Love Sylvia Dritsakis

My wish for next year, is for everyone to try and stay healthy and happy and try not to worry too much about wealth - your health is more important so you can enjoy life with the people you love.

ALEX & EVE: THE WEDDING exceeded all our expectations becoming the biggest stage production of 2009.

We would like to thank all of you for your enormous support. The response to the show has been so overwhelming that we are excited to announce the revival of a revamped stage production of the original ALEX & EVE June 3rd to June 13th at the Factory Theatre
