“Never once in my 4 years at Bankstown was I told to go out and hurt another player by Flea or Tseka”.  
 “Players make their own decisions on the field and what happens on the field stays on the field”.  
 “I still remain good friends with Robby & Suad, and I especially still have a lot of respect for Tseka and Flea because they still remain a major part of my earlier career”.  
 “I ask for everyone @ Olympic and the Greek people to understand this and not to take anything personally”.
