St Spyridon Mums Celebrate Over Brunch at Bondi Beach

Seventy St Spyridon Mums sipped champagne, smiled and socialized in a sun-soaked scenic setting at Nick's Seafood.... and so Mother's Day brunch 2010 goes down in history as another ever-so-popular and successful event for the P&F Association. Guests indulged in a scrumptious savoury and sweet buffet with the highlighted culinary feature of a gourmet omelette made fresh on the spot in their presence.

It was a day of giving generously as mums received complimentary Dove bags, mini Tupperware packages and a sensational \$50 gift voucher from MD Cosmedical Solutions on arrival. Rich were the raffle and lucky door prizes for selection and for this the P&F wholeheartedly thanks all the generous and thoughtful donors who offered countless quality gifts. We look forward to thanking them in writing, individually and officially in the immediate future.

The committee sincerely thanks the College and Parish executive - Mrs Stefanou-Haag, Mrs Tsaconas, Mrs Synesios and Mrs Hatzakos for taking time out of their busy lives at work to share and support this celebration. Furthermore we express a very warm thank you to Mrs Hamer for making the effort to come and bond with the mums. We were also fortunate to enjoy the great company of Mrs Tolios, the wife of the Consul General for Greece in NSW.

A special thank you to those members who were directly involved with the preparation and organization of this event especially those who endeavored to gather some impressive prizes. Well done for an outstanding collection!

Finally, to all our mums who enjoyed the day, we express a big thank you for your presence, support and positive feedback.

Φως. Έμπνευση. Μεγαλείο.

Η παραδοσιακή κινέζικη κουλτούρα όπως θα έπρεπε να είναι – ένα λαμπερό αμάλγαμα ομορφιάς, ενέργειας και χάρις. Δεκάδες χορευτές με εκθαμβωτικά κοστούμια κινούνται σε αδιάλειπτα ρέοντα χορευτικά σχήματα. Μεγάλα τύμπανα δονούν την σκηνή, την ώρα που τρισδιάστατα σκηνηγικά σας μεταφέρουν σε έναν άλλο κόσμο.

Δείτε αρχαίους θρύλους γεμάτους σοφία να ζωντανεύουν πλά σε σύγχρονες ιστορίες γενναιότητας. Ακούστε αέρινα τραγούδια από κορυφαίους τραγουδιστές που συνδυάζουν και εμπνέουν. Ζήστε την εμπειρία της ομορφιάς και της γοητείας όσο ποτέ, με αυτό το μοναδικό, συγκλονιστικό, και αξέχαστο υπερθέαμα.
