

2010 GREEK ORTHODOX ARCHDIOCESE OF AUSTRALIA

National Schools Event

St. Euphemia College proudly hosted the 2010 Greek Orthodox Archdiocese of Australia National Schools Event from Wednesday, 5 May until Friday, 7 May 2010.

This event has grown from St. Spyridon College's original concept to travel to Melbourne for a sporting competition against St. John's College and Oakleigh College and has developed into a national event requiring the highest level of commitment.

St. Euphemia College and All Saints Grammar joined the competition followed by St. George College, Adelaide and St. Andrews College from Perth.

All the Greek Orthodox Archdiocese Schools across Australia with approximately 400 students and staff took part in the 2010 event.

A variety of activities were conducted over the 3 days, commencing with a Blessing/Opening Ceremony at the Church of St. Euphemia in Bankstown.

The Spoken Arts Festival an annual cultural event included poetry readings, Classical Greek performance, Greek, Italian and Serbian presentations, theatre and dance.

A Social Dinner provided an opportunity for fellowship and the development of lifelong friendships.

Competitions included sporting events such as basketball, table tennis, netball, indoor/outdoor soccer and volleyball.

All the Principals of the Colleges met to discuss directions and priorities in the schools and National Curriculum Initiatives concerning Modern Greek.

This rewarding and inspiring experience ended with a Concluding Ceremony, where students received trophies and plaques in appreciation and commendation of their involvement in this auspicious event. St. Euphemia College welcomed all the students and staff of the Greek Orthodox Archdiocese Schools to Sydney. We hope that they had a memorable and enjoyable visit.
