STEVE O'CONNOR COMES TO OLYMPIC'S RESCUE!

Sydney Olympic officials this week announced the appointment of Steve O'Connor as the club's newest and latest Technical Manager- and "Sports-world" expects Steve to come to the club's immediate rescue!

Steve O'Connor has enormous experience and he will DEFINITELY turn things around for the ailing club. He has coached at the highest level for youth in Australia and is arguably one of Australia's most experienced youth coaches. O'Connor has held the position of Head Coach at the Australian Institute of Sport Men's Football Program for 12 years and is also the former National U/20's Young Socceroos Coach. He is exactly what is needed at Sydney Olympic right now. As long as he is left alone to do his job and he is given the latitude to implement the necessary structures within the club to ensure the much needed success the club has been desperately seeking.

WAS IT 1, WAS IT 2, WAS IT 3..?

No it was 5!

And it was a massacre.

A 5-STAR performance. One that you can be viewed in the highlights package on Soccer NSW's website this week. The Bankstown City Lions for the second time in 2010 managed to put 5 goals easily past the West Sydney Berries. That's 10 goals in the two games played between the two clubs. So much for the Berries being Bankstown's 'hoodoo' team hey. Not anymore. They have instead become the Lions' "whipping boys".

Last Sunday's clash was well and truly after only 20 minutes at Jensen when the Lions raced to an unassailable 3-0 lead. After the match, an elated boss Peter Tsekenis just couldn't hide his

happiness. "Very happy with the boys today, everyone put in a great effort and we got a fantastic result".

With this latest victory, the Lions are now the latest NSW Premier League club that looks safe as far as relegation goes. What more can we say?

TWO FOR OLYMPIC TOO!

Blacktown City too made it 2 wins in 2010 against Sydney Olympic with yet another convincing 3-1 victory. That's a total of 7 goals the Demons have put past Olympic this year!

What can we say again?

STATS & FACTS NEVER LIE!

"Lies, damned lies, and statistics" is a phrase popularised in the USA by Mark Twain- describing the persuasive power of numbers, particularly the use of statistics to bolster arguments, and the tendency of people to disparage statistics that do not support their positions. I know many many of you enjoyed reading THE FACTS last week judging by the high volume of calls I received. Since you enjoyed them so much last week, here are the updated facts once again for our two Greek clubs who continue to fight out the "wooden koutala" contest in 2010.

Let's start with the Berries FACT-FILE:

They remain LAST on the 1st grade ladder.

They are also LAST on the U/20's ladder.

They have won THE LEAST amount of games (2) than any other Premier League club.

Their record is an abysmal 2 wins from 15 games now.

It is now over 2 MONTHS since their last win (April 3rd) when they beat Manly.

They have scored THE LEAST amount of goals (12) than any other club.

The club has now overtaken Sydney Olympic with THE WORST DEFENCE in the league- having now conceded 31 goals.

Their goal difference is now a woeful -19, THE WORST in the league by far.

New coach Steve Karavatakis has NOT WON A GAME since taking over.

The Berries remain LAST on the Club Championship ladder.

After Round 15, they still remain the hot favourites to be relegated in 2010.

Now for the Sydney Olympic FACT-FILE:

The club remains in SECOND LAST spot (11pts) on the NSW Premier League table only because of a better goal difference than the Berries.

They remain THE WORST performing former NSL club.

They have won only 20% of their games this year (3/15).

The last Olympic WIN was well over six weeks ago (Round 9).

They have recorded THE MOST LOSSES (10) of any club.

They remain in relegation contention but are no longer in SECOND LAST spot on the Club Championship table.

"TEASCAPES CAFE" THE NEW SOCCER CENTRAL!

The "who's-who" of the soccer community in Sydney have a new, local regular hangout it seems- "Teascapes Cafe" at Randwick. It has been extremely popular sojourner all week after the Lions massacred the Berries 5-0. Just as popular it seems is "O KOS-MOS" newspaper on a Friday morning with the likes of former players like Abbas Saad and Mark Bosnich and co. being regular visitors- and readers! So too are many current Presidents from the NSW Premier League, Super League and lower divisions who can easily be identified sipping on their lattes and enjoying a 'bougatsa' at Teascapes.

In fact, so popular has the venue become it's all soccer talk all day, and many eventful and colourful incidents have taken place at the venue. If you too would like to experience first hand the football passion which radiates from this cafe at present then there is nothing else to do but visit this new soccer central venue today!

WORLD CUP WINNER?

And finally, who does "Sports-world" believe will win the 2010 World Cup?

BRAZIL look great value at \$5.50 to me.
