Bank of Cyprus Australia announces record growth

Bank of Cyprus Australia has increased customer numbers by 50 per cent according to a Bank announcement in Sydney last week.

Bank figures show the customer boom has also increased deposits at the Bank by 52 per cent and loans by 22 per cent during the same period.

The Bank's Board of Directors including four Cyprus based directors were at the announcement delivered by the Bank's Managing Director, Mr George Tacticos last Thursday to a select crowd of customers and staff at Cafe Sydney.

The directors were in Australia to open the Bank's new Head Office and Corporate Banking Centre at Melbourne's Rialto Towers on Monday before arriving in Sydney and addressing 175 key customers and staff on Thursday evening.

"We have our customers, supporters and staff to thank for the remarkable growth the Bank has achieved that has led to this move. This is just the beginning of an exciting chapter of growth and transformation for the Bank of Cyprus Australia", said Mr Tacticos

Mr Tacticos also announced the opening of two new branches in Melbourne this year, expanding the Bank's retail presence in Australia to 12 branches, seven in Melbourne, four in Sydney and one in Adelaide.

"At our current rate of growth more branch openings in Sydney and Adelaide are not too far away" he said

Bank of Cyprus Group Vice Chairman Mr Andreas Artemis expressed his satisfaction at the performance of Bank of Cyprus Australia to date and congratulated the local management for their efforts.
