

# Fundraising Event in support of Magdalene Paschalis

We are group of persons who have formed a fundraising committee to support Magdalene Pashalis a person with profound disability whose family had, in recent months, had the misfortune of having the modified vehicle which was used to transport Magdalene, stolen from outside her home.

The insurance paid a sum for the loss of the vehicle which is nowhere near enough to replace the vehicle

and thus have no means of transportation that can accommodate Magdalene's needs who is paraplegic, wheelchair bound person.

Responding to the family's plight for support to replace the vehicle the following persons have come together and with the support of the Philanthropic Association of Western Sterea Hellas to Messolonghi will be organising an event so that funds can be raised for the purchase of a modified vehicle or to have a vehicle

modified with wheelchair access.

Sofia Plakias, Dimitra Gallos, Lampros Papadopoulos, Giannis Spanelis, Peter Hronopoulos, Giannis Psomas, Eleni Katsaros, Argiris Milioopoulos, Nikitas Hartofilis, Grigoris Xafelis, Niki Stamatatos and Sofia Makri are the members who will undertake the fundraising.

The group is planning to hold a Dinner Dance planned for Saturday, the 17th of July, 2010, and will incorporate a raffle and an auction.

The group will work closely with the family to look at the most economical way to acquire the vehicle looking as a start at second hand already modified vehicles.

We should appreciate it if you could support us with either a money donation, the purchase of raffle tickets, donation of an auction item or by attending the dinner dance.

We look forward to your support so that we can support Magdalene Paschalis and her family.
