FIFA INSPECTORS ARRIVE...

Australia has also welcomed a delegation of FIFA inspectors as the bid to bring the greatest show on earth, the FIFA World Cup, to Australia in 2022 gains momentum.

FIFA have commenced a two-month tour, inspecting the nine countries who are bidding to host the 2018 or 2022 FIFA World Cup tournaments.

The delegation of FIFA inspectors are responsible for conducting the technical evaluation of the bids and will visit Japan (19-22 July), South Korea (22-25 July), Australia (26-28 July), Netherlands and Belgium (9-12 Aug), Russia (16-19 Aug), England (23-26 Aug), Spain and Portugal (30 Aug- 2 Sept), United States (6-9 Sept) and Qatar (13-17 Sept).

The hosts will be announced by FIFA on 2nd December 2010 in Zurich.

FFA AFTER AFC ASIAN CUP 2015

Football Federation of Australia (FFA) has formally handed over its bid to host AFC Asian Cup 2015 at a ceremony at AFC Headquarters yesterday.

FFA is the only candidate to bid to host the 2015 edition of AFC's flagship tournament for national teams.

The tournament will feature the best 16 teams in Asia vying the prestigious title of continental champions.

AFC executive committee is due to make a final decision on the host asso-

ciation in its meeting in January 2011 on the sidelines of AFC Asian Cup Qatar 2011 Finals.

The AFC Asian Cup 2007 finals was staged in Indonesia, Malaysia, Thailand and Vietnam while the 2004 edition was held in China.

Australia joined AFC in 2006, having previously represented Oceania.

POLICE CALLED...

Ah Tass...

What happened that police had to be called last weekend?

Not only was there action on the park, but the action off it included some pretty ugly incidents we won't go into.

I have been told even the girls got in on the act!

GREAT PROMO, GREAT RESULT!

Bravo Sydney Olympic...

A great promotion of Greek club AEK at Belmore last weekend- and a great result against the high-flying Bonnyrigg White Eagles.

Let's hope the boys can finish off 2010 with another victory against arch rivals Marconi.

NEW BLOOD, NEW VISION... OH AND RELEGATION!

So West Sydney Berries...

Was this the NEW VISION you were talking about?

The "wooden spoon" is now all yours after the 13th loss of the season- this time a 5-0 mauling by the Wolves.

Just two wins all season...

The new coach still hasn't won a SINGLE GAME.

You remain LAST in 1st Grade.

Rock-bottom place on the Club Championship is now also GUARANTEED.

In fact, the Berries are a MASSIVE 62pts last from the next bottom team (Rockdale)!

Such impeccable credentials...

Such vision...

PAINFUL VISION...

Speaking of vision, the "youtube" footage highlights from the 5-0 mas-

sacre last weekend, which has been posted on Football NSW's website all week is just TOO PAINFUL to watch. Have a look, you'll see what I mean...

IS SUPER LEAGUE DEMOTION?

Should the Berries really see the Super League as a demotion?

Fellow colleague George Stavroulakis pointed out to me this week, "They did actually jump from Division 1 you will recall, straight into the NSW Premier League back in 2008. So if they go back to Super League, it's still like a promotion for them!"

Regardless, this is the FIRST and the LAST time that will ever happen folks.

And the Berries appear to have blown the lifeline Football NSW handed them back in 2008.

The NSW Super League may still technically be considered a promotion by some - only this time around they will have to actually WIN the Super League to be considered for promotion back to the NSW Premier League ever again.

The best of luck...
