SUMMER SOCCER ALMOST SURE & CERTAIN

Following yet another meeting between the NSW Premier League clubs last week, it appears as though it is almost sure and certain that the NSW Premier League next season WILL revert back to a summer competition.

Football NSW will ultimately have the final say on the matter, but it appears as though they too are in favour of the concept. Stay tuned for further developments in the coming weeks...

TIGERS TAMED BY UNITED

The Apia Leichhardt Tigers' 2010 season has come to an end after being beaten by Sydney United in extra time- and only after they had a perfectly legitimate world-class goal disallowed for offside in the 75th minute!

The Tigers should however hold their heads high after a sterling year.

Sydney United now meet arch rivals Bonnyrigg White Eagles- who were soundly beaten by an understrength Blacktown 4-0!

The Demons are already in the Grand Final and have the weekend off.

OLYMPIC HAS MIXED SUCCESS AGAIN...

Sydney Olympic had mixed success once again during the second weekend of the finals series...

U/20's:

The club's U/20's were wonderful in

their deserved 3-1 victory over Bankstown City and are now up against Blacktown City in this weekend's Preliminary Final.

The winner will then meet Sydney United in the Grand Final a week later.

U/15's:

Sydney Olympic lost their chance to make a Grand Final when they lost to Sutherland 2-1 in extra-time and now they too have been eliminated after losing 1-0 to Manly United on Tuesday night.

U/14's:

Sydney Olympic's U/14's season came to an end last weekend when the youngsters were beaten Marconi after losing 2-1.

BERRIES U/13's LAST CHANCE

The West Sydney Berries ONLY side to taste finals football, its U/13's, were well and truly beaten by the Best

Team In The Land- Marconi (4-0).

However the youngsters have another chance- they must now overcome Manly United who scraped through against Sydney Olympic courtesy of a penalty shootout.

ONE HOPE FOR SENIOR BERRIES...

Whilst on the Berries, there remains only ONE HOPE for the West Sydney Berries as far as the club remaining in next year's NSW Premier League is concerned.

Forget about Bankstown City or even Manly United not being there because of financial pressures...

My mail is that they both WILL BE included in next year's competition.

THE ONLY HOPE for the Berries is IF the Super League Premiers, the Parramatta Eagles, cannot find the appropriate funds necessary to convince Football NSW that they should be pro-

moted.

If they can, they are in- and the Berries will drop to Super League.

That is the equation, pure and simple.

This is their only hope- and will remain the Berries' only hope.

Rumours further suggest that Granville Association is the key to the Parramatta Eagles' promotion or not.

MINOTAURS FTER "TOP 3" SPOT

The Hurstville City Minotaurs' dream of promotion to Division One is gone, but they are still very keen to end the season with a win against Bathurst 75- and hopefully a "Top 3" spot.

Either Luddenham United, Fairfield Wanderers or Fairfield Bulls will win the Premiership. Hakoah will run last.

PORTUGUESE SURVIVE!

Fraser Park has survived relegation- and so too have their fellow compatriots Dulwich Hill!

Both will be in the NSW Super League in 2011.

Incredibly it is the Mount Druitt Rangers who have run last and are in line for the chop back to Division One after being smashed by Fraser Park 5-1!

BRUMBIES PREMIERS & PROMOTED!

In Division One the Hills Brumbies are the Premiers and are therefore due to be promoted to the NSW Super League next season.

Hurstville ZFC will be relegated at the end of the year- but who will take their place is still undecided.

The Stanmore Hawks finished ended 2010 on a losing note and have finished mid-table.

Ταλέντο από την Ελλάδα θέλει να έλθει στην Αυστραλία

Ο Παναγιώτης Ανδριόπουλος είναι κεντρικός αμυντικός που αγωνίζεται στην Βοτανικό 2010. Πρόκειται για έναν πολύ ταλαντούχο αμυντικό που είχε προτάσεις από τη Λάρισα και τα Τρίκαλα. Ο ίδιος όμως θέλει να έλθει στην Αυστραλία για να τελειώσει τις σπουδές του. Έτσι, αναζητείται ομάδα που θα "στεγάσει" τα ποδοσφαιρικά του όνειρα και προσόντα. Ο Παναγιώτης Ανδριόπουλος έχει αγωνισθεί στο παρελθόν και στο Γαλάτσι (Α' Αθηνών), όπου είχε προπονητή τον Κώστα Ποζαπαλίδη. Ο παλαιός ποδοσφαιριστής του Απόλλωνα Αθηνών μιλά με κολακευτικά λόγια για την αξία του Παναγιώτη Ανδριόπουλου αναφέροντας ενδεικτικά πως είναι ισάξιος του Κώστα Μανολά της ΑΕΚ (τους προπονούσε και τους δύο). Κολακευτικά είναι και τα σχόλια όσων τον έχουν δει αγωνιζόμενο, ενώ ποδοσφαιράνθρωπος του Σίδνεϊ που τον γνωρίζει μας είπε ότι "στέκεται στα πολιτειακά πρωταθλήματα με κλειστά μάτια".
