

“Thanksh to Effie, St Spyridon College P&F Trivia Night wush really good!”

St Spyridon College Trivia 2010 was a night of success thanks to our infamous hostess Effie Stefanides (Mary Coustas) who captivated us all with her quick wit and charm and kept us crying with laughter through out the evening. People were overwhelmed by her well sustained youthful image, her unique class and sophistication with the true *woggy* style and *Graussie* spirit that we love in her. Even though she “roasted” us and entertained us at our expense, she was proud and sincere in her support for our school fundraiser. She praised the St Spyridon school community for its values, achievements and its aims to provide for our younger Greek generation. She gave herself wholeheartedly nonstop all night to fulfil all our guests’ requests, from signing DVDs to posing for photos, to successfully drawing guests’ attention to all fundraiser activities, to roasting all donors for their generous prize offers. Effervescent Effie truly lifted the standard to another level which would make it very hard for any other compere to outdo her in the future. One of the many highlights for the night, was Effie dancing and singing to her favourite 80s song *Stimulation*. In true Effie style, she was besotted by young *Stavro the shpunk* who quickly became part of her comedy act.

The Trivia questions were challenging with the music segment running as most popular for the night. The competition was fierce right from the start as all table teams brainstormed a catchy name to outdo each other with some very interesting and inventive names.

We would like to thank George Tsoukalas who engaged the talent of Effie and she thanked him sincerely by praising his Delvene Delaney role. We thank our funky DJ, Jimmy V, who entertained us through the Trivia competition as well as keeping the *kefi* going with dancing and singing that followed til late. A further thanks is expressed to Elia Economou, who is always a backbone for any event, who juggled many different roles from paparazzi to auctioneer to music engineer. Thank you to the executives of St Spyridon Parish and College and the staff who enthusiastically supported Trivia. A very sincere thank you to our generous donors who will be thanked officially with a letter and Certificate of Appreciation. A special thank you is expressed to our Trivia guests who supported us so well in many ways on the night. The success of such a fundraiser is not just the hard and fast profit that results in the end but the huge team spirit and generosity that it brings out in those who attend and unite to have some serious fun.
