

# WARATAH CUP FINAL

## Players to Look Out for Sutherland Sharks

**Panni Nikas**  
The Sutherland Sharks playmaker has had another fabulous season

for his club with some sensational performances, and goals, in both the League and Cup competitions to-date.

Blessed with a fine first touch, exceptional vision and deadly strike, Nikas will again be calling the shots in the front third of the field. Backed by a sturdy midfield, the Sharks will be looking to get their playmaker on the ball as much as possible against the Tigers to carve out goal scoring opportunities.

**Nick Stavroulakis**  
Mr. Reliable in the centre of the park, Stavroulakis has

had a stellar campaign thus far. A hard tackling midfielder with a fine passing ability, Stavroulakis' work-rate in the engine room has been phenomenal. Having taken the captain's armband from George Souris following the defender's injury earlier in the season, the pragmatic midfielder will be eager to hold aloft the Waratah Cup trophy at the conclusion of the Cup Final, something the club did back in 2009 with a 2-1 victory against Manly United with Stavroulakis netting an extra-time winner as well as picking up the 'Man of the Match' award.

**Paul Cotte**  
One of Robbie Stanton's new additions to the club this season, Paul Cotte

has slotted into the setup with complete ease. Boasting much experience, Cotte's importance has increased further since Souris' unfortunate injury. With a young defensive line featuring the likes of Michael Stuart, Tyson Rhodes and Hayden Morton, Cotte will be given the job of barking instructions across the backline with the likes of Ethan Galbraith, Andrew Bevin and Franco Parisi to pose a major threat in the Final.
