

looking forward to our next lesson of Greek because the information we learnt was very interesting, but also to spend more time with these students who made Greek, for me, even more enjoyable.

Additionally, I will never forget how supportive my classmates were as everyone wanted the best for one another. Although, over the two years it was our teacher Mrs Faletas who provided us with endless care and support whether that was inside or outside of the classroom. Mrs Faletas allowed us to produce the best results possible through her continuous dedication and ability to go above and beyond for us. Not only did she teach us the course content but also through her wisdom and experience she provided us with a number of life lessons that have made us all better people. For this, we are all extremely grateful, especially for all the time she spent helping us by correcting and marking our work. Therefore, I can definitely say that completing Greek as a HSC subject has been full of experiences that I will never forget.

### **Your school has Greek Theatre, how do you feel about that?**

It is a privilege to have Greek Theatre at my school as it has allowed me to develop my Greek language skills and be part of a group where we all enjoy being on stage and putting on Greek plays that make people laugh. Under the direction of Mrs M. Faleta, someone who is fundamental in these Greek plays, we owe our thanks and gratitude for her continual dedication to teaching us with her insight and love for the Greek language, culture and her continual support in making all our productions a success.

Of course, as you might understand,
