# SYDNEY OLYMPIC V

Belmore Sports Ground played host to a highly anticipated and memorable legends match between Sydney Olympic v Sydney United 58 last Sunday afternoon.

The match was a curtain raiser to the round 22 and final NPL NSW Men's clash between the two current senior squads.

The fans were greeted to a great spectacle as they witnessed two of Australia's biggest foundation clubs with some of the biggest names in Australian football history battle it out.

It was a blast from the past as ex-stars such as Peter Katholos, Pablo Cardozo, Ztaltko Nasteviski, Abbas Saad, Manis Lamond, Paul Bilokapic and Tony Krslovic to name a few put on a show on what was an amazing day for all involved.
