NPL 3 NSW Men's

ST GEORGE CITY FA – DUNBAR ROVERS 4-0

# Manolis Spanoudakis team in the finals

St George City FA moved ominously in to next week's Championship decider by brushing aside Dunbar Rovers 4-0 on Sunday afternoon in the second NPL 3 NSW Men's Championship semi final at Fraser Park.

St George City FA came in to the match after earning a one week rest courtesy of their Premiership win, and other than looking a little rusty in the opening 15 minutes, the Premiers produced a dominant display to book their spot in next week's decider. Leading in to the weekend, St George City FA suffered a double blow with both left backs ruled out of the clash against Dunbar – Kyoji Mori fell ill, whilst Jonathon Dimopoulos was injured on the eve of the game in the team's final hit out. Emanuel Koumis put St George City FA in to a 16th minute lead, using his body to turn his defender before striking low past a helpless Dunbar keeper, Terry Dal Broi. The Premiers took a stranglehold on the game just 3 minutes later by making it 2-0 in the 19th minute. Steve Kuzmanovski turned inside his defender before whipping over a dangerous cross that was

met at the far stick by James Spanoudakis, the St George City number 10 directing his header back the way it came as it nestled inside the Dunbar upright. Dunbar were on the ropes, and hoped a half time rest would give the Rovers the resurgence they needed. But it was not to be, with St George City FA all but wrapping up proceedings just 3 minutes after the break. A loose ball on the edge of the Dunbar penalty area fell to Kerim Kumsuz – who incidentally put in a great shift nullifying Dunbar skipper, Andrew Doddy – and Kumsuz took a touch before unleashing a drive that cleaned the cobwebs on its way in to the Dunbar goal. Amidst a flurry of chances to add to the scoreboard, St George City FA put the icing on the cake on 89 minutes with a clinical turn and strike from Steve Kuzmanovski, rounding off the afternoon's result at 4-0. It was a

disappointing way for Dunbar to end their campaign, but they can hold their heads up high, finishing 6th in the competition proper, before winning their first Elimination Semi, and coming to within 90 minutes of a Grand Final appearance. St George City FA on the other hand are now real chance of the treble, having won the 1st Grade Premiership as well as the Club Championship, and with all three grades in their respective Grand Finals next weekend, they have a real chance of creating a memory with history waiting to be written.
