Footnote - Thank You

In order to provide accurate details of results, goal scorers, and incidents, this journalist simply cannot be at each of the 7 NPL 3 venues each weekend, and relies on accessing a range of resources other than being able to attend one match, including online and social media sources. I have been able to utilise a range of

individuals in my National Premier Leagues 3 NSW Mens network, who have been reliable, honest and consistent in providing me with accurate and prompt data which has enabled me to construct weekly reports full of detail and context. I simply cannot have eyes across seven venues, so without these individuals, I could

not have produced the thorough reports on a weekly basis, so a huge amount of gratitude to each of you - and you all know who you are - thank you for your reliability and support, for putting your club on the map, and on a bigger picture, continuing to support this exciting National Premier Leagues 3 NSW Men's competition.
