

SYDNEY UNITED 58

2019 TAFE NSW Waratah Cup Final
Sunday 14th July
Lily Homes Stadium - 2:30pm kick-off
Marconi Stallions v Sydney United 58

Simonoski and Patrick Antelmi as well.

The experience of Tomislav Uskok could also prove handy during his mid-season recruitment as he will look towards marshaling the defence on Sunday.

Two players who could have a very big impact on the final result is goalkeepers Nenad Vekic and Thomas Manos.

Marconi shot stopper Vekic and United gloveman Manos have both played in their fair share of big matches throughout their careers and know what it takes to win when silverware is on the line.

Don't be surprised if either of these two are in the running for man of the match honours if their team takes out the title.

Having faced off only two

weeks ago, both Stallions coach Peter Tsekens and United 58 gaffer Miro Vlastelica will have a good idea of what to expect from their opposite on match day.

Both teams play an attractive brand of football but rely on different techniques to break down their opponent.

Look for United 58 to try and unlock the defense with slick passing and crosses into the box, while Marconi prefer rapid ball movement and their speed up front.

On recent form, Marconi go into the final as slight favourites but they will have their work cut out for them if they are to lift the trophy on Sunday.

United 58 have a history of success in this competition and still feature a number of players from the club's back to back Waratah Cup titles in 2015 and 2016.

With so much on the line expect nothing to be left in the tank in a match which is sure to go down to the wire.
