

impressed with what you have seen so far?

KB: The boys were champions last year and they kept a lot of the squad together so I knew we would have a strong team, we have started very well and need to keep going.

OK: Your goals/objectives for the current season?

KB: I think as always here it is to win the championship again, and also to progress out of the group in the champions league.

OK: You recently became a father to a beautiful daughter Lola, has life changed for you in that department?

KB: Yes, life is completely different now, after training/games my focus is completely on her and I am loving every minute of being a father.

OK: To the O Kosmos Greek Readers, you did spend a year at Greek side Panathinaikos during the 2012-2013 season, how was that experience?

KB: I loved my time at Panathinaikos, it is the club I supported as a young boy so it was a dream come true. I would have loved to stay longer.

OK: The Greek Super League in your eyes, how was the standard?

KB: The standard was quite high, especially the top 4-5 teams. The local players are at a good level and the foreigners who come to the league are of very high quality.

OK: Is Europe or Greece a place you would like to play your football at once more?

KB: For now I don't think it is in my plans to go back to Europe again, but with football you never know!

OK: International duties, what's it like representing New Zealand on the world stage?

KB: I love playing for my country, we haven't had many games recently but I am very excited for the World Cup cycle to start again. I am very close to playing 50 games so that will be a very proud moment for me.

OK: Thank you very much Kosta, O Kosmos would love to wish

you and your family a safe and a Happy New Year.

KB: Thank you very much I want to wish all the O Kosmos a wonderful festive season.

Proud of his heritage and a time Panathinaikos player, 2019 has not only seen Kosta settle into a new city, but has also been introduced to fatherhood with his young beautiful family.

The 29-year-old has already impressed his new legion of Sky Blues fans with his performances under the guidance of Steve Corica as the Kiwi International continues to tick more boxes off his illustrious footballing career.
