Team Background, Acknowledgements and Thanks

The current team was established two years ago and is made up of many players who have played at the Club for 10 years. The group was impacted by COVID last year which meant that the latter part of the season was not completed, but they made up for it this Season finishing a credible third on the Table and Grand Final Runners Up medallists.

The team strives to create a collaborative and cooperative environment between players, coaches, parents, supporters and the Club - the results in 2022 are a direct result of hard work, commitment and working together.

The team is Coached by Alex Georgiadis, Arthur Mantzikopoulos and supported by Steve Xanthos, Johnny Alaveras and co-managed by Michael Seliametis and Theo Fotopoulos.

The EWFC U15/2s will have a break and commence pre-season in late September for Season 2023.

The team will have limited player roster spots available for next season - if you are a Div 1-2 player currently and are turning 16 next year and would like to Trial for the U16s (CDSFA Season 2023) please contact or text 0412 480 563.
